

Pre-bid Meeting (ONLINE Mode) held on 19-12-2023 at 1000 hours

Tender No.: TENDER/2023-24/320 dated 07-12-2023

**SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF
LASER MICROMACHINING CENTRE**

Table A indicates the Authorized Representatives of the firms that participated in the Pre-bid Meeting.

Table A

S. No.	Name of the Firm and details of the Authorized Representative(s) who participated
1.	Mr. Jagadesh Obulapuram - M/s Laser Science, Head Quarters Mumbai.

Table B indicates the queries raised by the bidders and the clarifications provided by the institute.

Table-B

S. No.	Query	Clarification
01.	S. No: 16 Number of Axis – Could you provide details on the strokes of the X, Y, and Z Axis?	In line with the mentioned working area, the X, Y, and Z Axis strokes should be greater than or equal to 50 mm, 50 mm, and 100 mm, respectively.
02.	S. No: 32 Machine vision: Real-time visualization and positioning camera with feature recognition - Could you kindly elaborate further on this aspect?	Integrate a high-resolution camera into a laser micro-machining center for real-time feature recognition. Use computer vision algorithms to identify workpieces or markers or shapes or features produced.
03.	S. No: 39 Software- Should have Control of entire system through single-window GUI - You want to control entire system through single-window GUI only?	Yes. We would like to control the entire system through single-window GUI only.
04.	S. No: 44 Expansion in number of axis Should be expandable to 5 axis control in future - Which two axes are under consideration, and what is the proposed integration plan? We intend to incorporate necessary provisions in the design or system accordingly.	Rotation of the axis with the A and B are under consideration for future expansion.
05.	S. No: 45 System should be Laboratory design - easily extendable system for future upgrade or custom optimization - Could you provide more details on the concept of an easily expandable system?	It should be expandable to increase the number of axis. S. No 44 and S. No 45 are intending the same requirement.
06.	Online Bid Submission Extension - Due to the Christmas Holiday in our product principal region, we request an extension of the bid submission deadline until the end of January 2024. This extension is crucial as we are awaiting technical inputs from our principal.	The due date is extended to January 10, 2024.
07.	The Supplier shall supply the equipment/items within the period specified in the tender document i.e. within 6 to 8	It should be supplied within 10-12 weeks from the date of PO.

	<p>WEEKS of signing the purchase order or within the period mutually agreed between IITPKD and supplier -</p> <p>Due to the necessity of importing certain parts from another country, we anticipate a longer lead time for the delivery of the product. In light of this, we kindly request an extension of the delivery period to 18-20 weeks from the signing of the purchase order.</p>	
08.	Could you please specify the terms of payment for INR currency?	As per norms, the payment terms are in INR.

The Closing Date and Time of the Tender is 10-01-2024, 15:00 hour.

All other Terms and Conditions of the Tender remain unchanged.
