

International Symposium

Shaping the AI Landscape: A Multidisciplinary
Approach to Technology, Society and the Future

**March,
03 and 04,
2025**

Organised by,

The Department of Humanities and Social Sciences, IIT Palakkad
In collaboration with York University, Canada

The symposium offers a unique platform for scholars to explore the intersection of Artificial Intelligence(AI) with various facets of society, technology, and ethics.

The symposium will bring together experts from Engineering, Social Sciences and the Humanities to engage in multidisciplinary dialogue and promote a holistic approach to AI development.

**SESSIONS WILL
COVER**

**AI Foundations and
Concepts**

**AI's Impact on Social
Structures and Inequality**

**Philosophical Perspectives
on Technology**

**Ethics and Governance
in AI Development**
